Dear Community Members:

Every 3 years, Grant Memorial Hospital conducts a Community Health Needs Assessment to ensure the work we are doing benefits the communities we serve. We invite you to participate with us by completing a brief survey at the link below. Your opinion is very valuable to us, and the survey results will help us develop a strategic plan for our future.

If you have any questions about this, please don't hesitate to reach out and ask. We would like for this to be completed no later than May 15, 2019. The results will be posted on our website after July 1, 2019.

Thanks in advance for your participation.

Sincerely,

Robert "Bob" Milvet
Chief Executive Officer
